The SRJC Chamber Singers will sing *Cornerstone* by Shawn Kirchner
Darita Seth (director)
Nancy Hayashibara (accompanist)
Nathra Kem (percussion)

The stone that the builders rejected became the cornerstone of a whole new world.

A grain of wheat may be knocked to the ground

And suffer through the winter's cold

Only to rise right up again

And bear its seed a thousandfold.

The stone that the builders rejected became the cornerstone of a whole new world.

Never shall our journey fail;

A little child shall lead the way

Whose eyes are filled with a shining light,

To whom the night is bright as day.

The stone that the builders rejected became the cornerstone of a whole new world.

The love that rolls the stone away

Gives us life that we may sing

"Grave, where is thy victory?

Death, o death, where is thy sting?"

The stone that the builders rejected became the cornerstone of a whole new world.

STUDENT COMMENCEMENT SPEAKER

Elisabeth Provost

Lissa Provost is a lifelong learner, returning to SRJC with her kids as they reached adulthood, and taking classes to support her dream of starting a creative business that turns their writing, art, and other ideas into books and products they can sell. The result is New Alexandria Creative Group, and after graduating, she's looking forward to turning her full energy and attention to building on the foundation laid during her season of learning. In the interim, she's also become Director of the San Francisco Writers Conference and published a number of books. She's graduating with an Associate's in Communication, Entrepreneurship and Drone Piloting Certificates, and the confidence and friendships she developed as part of the Forensics Speech, Debate & Performance Team.

KEYNOTE COMMENCEMENT SPEAKER

Karissa Kruse

Karissa Kruse is CEO of the Sonoma County Winegrowers (SCW), where she leads efforts to promote and protect Sonoma County as one of the world's premier wine regions. Under her leadership, the region has earned global recognition for its sustainability leadership. She launched the "Farm of the Future" initiative, positioning Sonoma County as a living lab for regenerative farming and innovation in partnership with Ford Pro, John Deere, Wilbur-Ellis, and Agrology. She also leads the Sonoma County Grape Growers Foundation, supporting vineyard employees and their families. A marketer and storyteller, Karissa has expanded Sonoma County's reach through partnerships with Landry's, Lettuce Entertain You, the San Francisco Giants, Houston Rockets, Chicago Bears, Coachella Valley Firebirds, Food & Wine and GuildSomm.

Before joining SCW, she built a successful career in brand strategy with General Mills, Universal Studios, and Dairy Management Inc., experiences that shaped her innovative approach to connecting people, purpose, and place. Karissa has been named one of Food & Wine Magazine's "Most Innovative Women in Food & Drink," a Wine Enthusiast "Green Leader," and CAWG's Leader of the Year, and was honored as Congressman Mike Thompson's Woman of the Year. With a B.S. in Economics and an MBA from The Wharton School, Karissa leads with vision at the intersection of sustainability, innovation, and community.

"It is a distinct honor to speak at Santa Rosa Junior College's (SRJC) 2026 Commencement Ceremony. SRJC's record of academic excellence reflects the unique talents, perspectives, and ambitions of its students. I especially appreciate the chance to contribute to a community that so strongly values growth, inclusivity, and opportunity as part of its mission. As May approaches, I look forward to celebrating the achievements of our nation's future leaders, creators, and changemakers on their special day."

THE MEANING OF ACADEMIC DRESS

The wearing of academic gowns, mortarboards, tassels and hoods has been an integral feature of American commencement pageantry since the end of the nineteenth century. In Europe, this tradition originated during the Middle Ages. The early commencement ceremonies in our country were known for debates and orations given by the candidates to demonstrate their knowledge. The Academic Procession is a colorful parade with faculty in distinctive gowns from universities around the world. The hoods that are worn are fashioned of velvet and silk, their rainbow colors denoting the wearer's institutions and fields of study.

The velvet facing of the hoods indicates the field of study in which the faculty have received their degrees. The inside lining reflects the colors of the institution where the graduate degree was earned. The typical tassel worn on the mortarboard is black, gold or other colors signifying academic distinction.

The colors listed below are those used on the velvet facing of the Master's hood.
